

CALLING OF GOD AND ITS COORDINATES

Calling of God And Its Co-ordinates explores the dynamic journey of divine vocation, revealing how God's call unfolds in a believer's life from inception to ultimate fulfillment. Dr. Duke Fitz-Theodore Randolph guides readers through the 12 Cs of Christ, highlighting Calling as the seventh C, and showing how purpose, gifts, and opportunities converge under God's sovereign orchestration. Blending biblical narrative, theological reflection, and practical insight, the book traces the stages of calling-divine initiation, comprehension of mission, cultivation of gifts, convergence of circumstances, contextualization, calibration, empowerment, provision, and collaborative engagement. Readers learn how to discern God's mandate, steward their talents, navigate trials, and engage communities for kingdom impact. Designed for pastors, ministers, and all seeking to live purposefully, this work illuminates how faithful obedience transforms ordinary lives into extraordinary testimonies, equipping believers to receive, refine, and realize God's calling with clarity, confidence, and lasting influence.

AUTHOR PROFILE

DUKE FITZ-THEODORE RANDOLPH is Associate Professor of Ministry at Global University. He holds a PhD from Bangor University (UK) and is currently pursuing an MSc in Social Work at Brunel University London alongside an MSc in Mental Health Nursing at Buckinghamshire New University. He is the author of the best-selling A Theory of Lay Ministry Praxis and the founder of Global Ministries Daily Bread (Empowerment Missions International). Called to ministry at the age of twelve, when he heard the words, "Prepare a people for me!" Randolph has devoted his vocation to equipping Christian envoys for works of service through teaching, publishing, and broadcasting the Word of God. He is also a committed advocate for mental health and a champion of social justice.
