

WHEN THE HEAVENS TOUCH THE EARTH

WHEN THE HEAVENS TOUCH THE EARTH – Experience Divine Miracles By Preparing 12 Right Conditions offers a practical triad of 12 Keys (that make 36 features) that would help you to experience God's miracles today. Spirituality, empowerment, and theology cooperate to show that miracles are relational, not random. Rooted in Scripture and enriched by psychology and sociology, the book traces man's needs, God's will, sign, timing, place, and gifts with human faith and motivation, to show how under the umbrella of God's sovereignty, man is transformed into Christ likeness. Here concrete practices are offered to maximise chances to help individuals, churches, communities, and the global mission to experience divine miracles.

DUKE FITZ-THEODORE RANDOLPH is Associate Professor of Ministry at Global University. He holds a PhD from Bangor University (UK) and is currently pursuing an MSc in Social Work at Brunel University London alongside an MSc in Mental Health Nursing at Buckinghamshire New University. He is the author of the best-selling *A Theory of Lay Ministry Praxis* and the founder of Global Ministries Daily Bread (Empowerment Missions International). Called to

ministry at the age of twelve, when he heard the words, "Prepare a people for me!" Randolph has devoted his vocation to equipping Christian envoys for works of service through teaching, publishing, and broadcasting the Word of God. He is also a committed advocate for mental health and a champion of social justice.
